Dear shareholder,

Annual General Meeting

1. Introduction

The Annual General Meeting of the Company will be held at Freshfields Bruckhaus Deringer LLP, Northcliffe House, 26–28 Tudor Street, London EC4Y 0BQ on Thursday 6 July 2017 at 11.00am.

The business to be considered at the Annual General Meeting is contained in the formal notice convening the Annual General Meeting on pages 6 and 7 of this document. A brief explanation of each resolution to be considered is set out below.

Voting on all of the proposed resolutions at the Annual General Meeting will, again, be conducted on a poll rather than a show of hands. Voting on a poll is seen as best practice as it gives all shareholders the same opportunity to participate in company decisions and have their votes recorded. Except where indicated otherwise, each of the resolutions will be proposed as an ordinary resolution, which will require a majority of the votes cast on the resolution to be in favour, in order for the resolution to be passed.

All Directors served throughout the year under review, with the exception of Philip Austin MBE, who served as the Senior Independent Director of the Board of Directors until 31 December 2016.

2. Resolutions at the Annual General Meeting

Resolution 1: The Directors are required to lay the Company's accounts and the auditors' report before the members at a general meeting.

A copy of the Company's accounts for the financial year ended 31 March 2017 (the "2017 Accounts") is enclosed (except for those shareholders who have previously consented to receive e-communications only).

Resolution 2: Listed companies incorporated in the UK are required to prepare a Directors' remuneration report and put a resolution to approve the report to shareholders at the Annual General Meeting. Although 3i Infrastructure plc is incorporated in Jersey and has only non-executive Directors, the Board has chosen to ask shareholders to approve the Directors' remuneration report, a copy of which is set out on page 69 of the 2017 Accounts.

Resolution 3: The Directors are pleased to recommend, and the shareholders are requested to declare, a final dividend of 3.775p per Ordinary Share, payable to those shareholders whose names appear on the Register of Members at close of business on 16 June 2017. If the final dividend is approved, it is proposed to be paid on 10 July 2017.

Resolutions 4, 5, 6, 7, 8 and 9: In accordance with the Company's Articles of Association and current best practice in the UK Corporate Governance Code, all Directors wishing to serve as Directors for the forthcoming year will retire from office and stand for re-election as Directors at this Annual General Meeting. In addition, since Ian Lobley is an employee of a subsidiary of 3i Group plc, he is not considered to be independent for the purposes of Listing Rule 15.2.13A and accordingly is required to stand for annual re-election pursuant to that Listing Rule. Each Director re-elected will hold office until he or she retires, otherwise ceases to be a Director in accordance with the Company's Articles of Association or by operation of law, or until he or she resigns.

In accordance with UK Corporate Governance Code recommendations, during the year the Board engaged Linstock, a specialist consultancy which is independent of the Company, to undertake an evaluation of the performance and effectiveness of the Board and its committees. Linstock's report is summarised in the 2017 Accounts.

Following the review process of all Directors, and in accordance with Section B.7.2 of the UK Corporate Governance Code, their re-election will be proposed at the forthcoming Annual General Meeting. The Board believes that each Director standing for re-election should be re-elected, as each has an appropriate level of experience in the infrastructure market or in management of investment vehicles similar to the Company. The Board further believes that each Director's performance continues to be effective and demonstrates commitment to their respective roles.

Brief details of those Directors seeking shareholder approval for re-election are set out below.

He is a qualified Chartered Accountant. Board member since 20 September 2007, resident in Jersey.

Doug Bannister

He became Group CEO of the Ports of Jersey (Airports & Harbours) in 2011, with responsibility for the Island's strategic aviation and maritime assets. Skilled in turnaround, restructuring and transformation of capital intense transportation businesses, he has been responsible for business improvements in a wide variety of transport and logistics activities in both the freight and passenger segments. In 2016, Doug was awarded the Institute of Directors Jersey Director of the Year for large businesses. Board member since 1 January 2015, resident in Jersey.

Wendy Dorman

Wendy is a chartered accountant who began her career as an auditor and went on to specialise in financial services taxation. In 2001, she moved from London to Jersey and she led the Channel Islands tax practice of PwC until June 2015. Wendy has over 25 years' experience in taxation gained both in the UK and the offshore environment, working both in practice and in industry. Wendy was Chairman of the Jersey branch of the Institute of Directors from 2014 to 2016 and a former President of the Society of Chartered Accountants. She is a non-executive director of Jersey Electricity plc and Jersey Finance Limited and Chairman of the Audit and Risk Committee of CDS New City High Yield Fund Limited. Board member since 1 March 2015, resident in Jersey.

Resolutions 10 and 11: Following the outcome of a tender process in relation to the appointment of the Company's external auditors, shareholders will be asked to confirm the appointment of Deloitte LLP as the Company's auditors until the conclusion of the next annual general meeting due to be held in 2018 and to grant authority to the Board to determine the auditors' remuneration.

Resolution 12: This resolution gives the Board the authority, in accordance with Article 115 of the Company's Articles of Association, to offer the holders of Ordinary Shares of the Company, to the extent and in the manner determined by the Directors, the right to elect to receive new Ordinary Shares (credited as fully paid) instead of cash, in respect of all or part of any dividend declared or paid in the period between the passing of this resolution and conclusion of the annual general meeting of the Company due to be held in 2018 (the "Scrip Dividend Scheme").

Resolution 13: This resolution gives the Board the authority, in accordance with the Company's Articles of Association, to capitalise the appropriate amounts of new Ordinary Shares of the Company to be allotted pursuant to any elections under the Scrip Dividend Scheme out of the sums standing to the credit of any reserve or account of the Company, to apply such sum in paying up such Ordinary Shares in the Company in full and to allot such Ordinary Shares to the shareholders of the Company making such elections.

This resolution is to be proposed as a special resolution under Jersey law and so will require a majority of not less than 66.67% of the shares voted on the resolution to pass.

Resolution 14: This resolution, which is described in further detail in Part II of this document, proposes that the Company's existing Articles of Association (the "Old Articles") be amended and those Articles of Association produced to the meeting and initialled by the Chairman, reflecting those amendments, be adopted as the Company's Articles of Association, in substitution for, and to the exclusion of, the Old Articles. The proposed amendments would (i) update references to the regulations, orders and rules applicable to the holding of securities in dematerialised form; and (ii) allow the Company to communicate electronically with consenting shareholders, via the Company's website (www.3i-infrastructure.com). The Company prefers to use its website to communicate with shareholders wherever possible, and considers that this provides many advantages including easier and quicker access to documents, saving paper, helping to minimise the Company's environmental impact and reducing the cost associated with printing and delivering hard copy documents.

This resolution is to be proposed as a special resolution under Jersey law and so will require a majority of not less than 66.67% of the shares voted on the resolution to pass.

Part I continued

Resolution 15: For legal, regulatory and practical reasons there may be occasions when the Directors will need the flexibility to issue shares without a pre-emptive offer to existing shareholders. This resolution gives the Board authority to allot equity securities (being Ordinary Shares or rights to subscribe for, or to convert securities into, Ordinary Shares) for cash without first offering them to existing shareholders on a pro-rata basis. The limit on the number of equity securities which may be so allotted is equity securities representing 10% of the sum of the issued ordinary share capital of the Company as at 26 May 2017.

The authority expires at close of business on the date falling 15 months after the date of passing of this resolution or the conclusion of the next annual general meeting of the Company, whichever is the earlier.

As at the date hereof, the Directors have no intention to exercise this authority, although they consider its grant to be appropriate in order to preserve maximum flexibility for the future.

The Company is a closed ended investment company, whose shares are admitted to the premium segment of the official list maintained by the Financial Conduct Authority and to trading on the London Stock Exchange's main market for listed securities. Accordingly any issue of shares (or sale from treasury) by the Company is subject to the additional qualification that the relevant shares must be issued for a price at least equal to the prevailing net asset value for the relevant class of shares. Given this additional requirement, the Directors believe that an authority to issue new shares in an amount equal to up to 10% of the existing issued ordinary shares is appropriate.

This resolution is to be proposed as a special resolution and, pursuant to the Articles of Association, will require a majority of not less than 75% of the shares voted on the resolution to pass.

Resolution 16: This resolution renews the share buy-back authority that was given at the annual general meeting of the Company last year. Resolution 16 gives the Directors authority to make market purchases of the Company's own shares for cancellation, up to 14.99% of the sum of the Company's issued share capital as at 26 May 2017. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to shareholders generally, either through enhancement of the Net Asset Value (NAV) per share or gauged by another measure deemed to be more relevant.

The resolution specifies the maximum and minimum prices at which shares may be bought. Any shares purchased in this way will be cancelled (and the number of shares in issue reduced accordingly).

Given that the Company's shares do not have a nominal value, the Board has decided to provide for the minimum price in the buy-back resolution to be calculated by reference to market value, in order to mirror more closely the spread between minimum and maximum price of other listed companies that use the nominal value of their shares as the minimum price. The authority expires at close of business on the date falling 15 months after the date of passing of this resolution or the conclusion of the next annual general meeting of the Company, whichever is the earlier.

As at the date hereof, the Directors have no intention to exercise this authority, although they consider its grant to be appropriate in order to preserve maximum flexibility for the future.

This resolution is to be proposed as a special resolution under Jersey law and so will require a majority of not less than 66.67% of the shares voted on the resolution to pass.

4. Recommendation

The Board considers that the resolutions proposed in this notice of Annual General Meeting are in the best interests of the Company and the shareholders as a whole. Accordingly, the members of the Board (other than, in the case of Resolutions 4 to 9, the Director proposed for re-election in each resolution) unanimously recommend shareholders to vote in favour of the resolutions to be proposed at the Annual General Meeting, as all the Directors intend to do in respect of their own beneficial holdings totalling 128,127 Ordinary Shares (representing approximately 0.01% of the Company's issued share capital) as at 26 May 2017, being the latest practicable date prior to the publication of this document.

Yours sincerely,

Richard Laing
Chairman

For this purpose, seniority will be determined by the order in which the names of the shareholders appear in the register of members in respect of the joint shareholding. The completion and return of the Proxy Form will not stop you from attending and voting in person at the Annual General Meeting should you wish to do so and are so entitled. A proxy need not be a shareholder of the Company. You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by you.
- To appoint more than one proxy you may photocopy the Proxy Form. Please indicate the proxy holder's name and number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of the multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
- Alternatively, shareholders are given the option to register the appointment of a proxy for the Annual General Meeting electronically by accessing the website www.signalshares.com. This website is operated by the Company's registrar, Capita Asset Services. Full details of the proxy voting procedure are given on the website and shareholders are advised to read the terms and conditions relating to the use of this facility before appointing a proxy. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged in any way. Electronic proxy voting instructions are requested to be submitted using the website www.signalshares.com by no later than 11.00am on Tuesday 4 July 2017. Any electronic communication sent by a shareholder that is suspected to contain a computer virus will not be accepted.
- CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on Thursday 6 July 2017 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

Part IV continued

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (RA10) by the latest time for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Articles 33–34 of the Companies (Uncertificated Securities) (Jersey) Order 1999. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy, which are to be transmitted through CREST, are required to be lodged no later than 11.00am on Tuesday 4 July 2017.

5. You can appoint the Chairman of the Meeting, or any other person, as your proxy. If you are using a hard copy Proxy Form and wish to appoint someone other than the Chairman, cross out the words "the Chairman of the Meeting" on the Proxy Form and insert the full name and address of your appointee.
6. If you are using a hard copy Proxy Form, you can instruct your proxy how to vote on each resolution on which a poll is taken by ticking the "For" or "Against" boxes as appropriate (or entering the number of shares which you are entitled to vote). If you wish to abstain from voting on any resolution on which a poll is taken please tick the box which is marked "Vote Withheld". It should be noted that a vote withheld is not a vote in law and will not be

counted in the calculation of the proportion of the votes "For" and "Against" a resolution. If you do not indicate on the Proxy Form how your proxy should vote, he/she can exercise his/her discretion as to whether, and if so how, he/she votes on each resolution, as he/she will do in respect of any other business (including amendments to resolutions) which may properly be conducted at the Annual General Meeting.

7. If you are using a hard copy Proxy Form, a company incorporated in England & Wales or Northern Ireland should execute the Proxy Form under its common seal or otherwise in accordance with Section 44 of the Companies Act 2006 or by signature on its behalf by a duly authorised officer or attorney whose power of attorney or other authority should be enclosed with the Proxy Form.
8. Any hard copy Proxy Form and any power of attorney (or a notarially certified copy or office copy thereof) under which it is executed is required to be received by Capita Asset Services by no later than 11.00am on Tuesday 4 July 2017. On completing the Proxy Form, sign it and return it to Capita Asset Services in the Business Return Envelope provided. As postage has been pre-paid no stamp is required. If you mislay the Business Return Envelope, you may return the Proxy Form to FREEPOST CAPITA PXS. Please note that the Freepost address must be completed in block capitals and that delivery using this service can take up to 5 business days. Alternatively the Proxy Form can be posted to the following address but a stamp will be required: Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU.
9. Pursuant to Article 40 of the Companies (Uncertificated Securities) (Jersey) Order 1999, the Company specifies that only those people registered as shareholders in the register of members of the Company at close of business on Tuesday 4 July 2017 or, in the event that the meeting is adjourned, in the register of members at close of business 48 hours prior to any adjourned meeting, shall be entitled to attend or vote at the Annual General Meeting convened pursuant to this notice in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after close of business 48 hours before the time of the Annual General Meeting or, in the event that the meeting is adjourned, in the register of members after close of business 48 hours prior to any adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at such meeting.
