

# Statement re AWG

27 JUNE 2017

The Board of 3i Infrastructure plc (the “Company”) notes the press speculation regarding a potential sale of its interest in Anglian Water Group (“AWG”). The Company confirms that it is considering options in relation to its holding in AWG which is held through 3i Osprey LP, a partnership managed by 3i Investments plc, the Company’s investment adviser. These considerations are at an early stage and, as such, there can be no certainty that they will lead to a sale of all or any of the Company’s interest in AWG.
