

We invest responsibly in infrastructure, delivering long-term sustainable returns to shareholders and having a positive influence on our portfolio companies and their stakeholders.

Our objectives are to provide shareholders with a total return of 8% to 10% per annum, to be achieved over the medium term, with a progressive annual dividend per share.

A differentiated investment proposition

Our primary investment focus is mid-market core-plus with controlling majority or significant minority positions and strong governance rights, whilst adhering to a set of core investment characteristics and risk factors.
