3i Infrastructure plc (the “Company” or “3iN”)

Proposed Placing

The board of directors of 3i Infrastructure plc, the FTSE 250 international infrastructure investment company, is pleased to announce a proposed placing of ordinary shares in the capital of the Company (the “Placing Shares”) conducted under the existing non pre-emptive authorities granted by shareholders at the Company’s annual general meeting on 7 July 2022 (the “Placing”).

Highlights of the Placing

- **Proposed Placing at a price of 330 pence per Placing Share, representing:**
 - **a 3.1% premium to the Company ex-dividend net asset value per share as at 30 September 2022 (adjusted for the 5.575p dividend paid to shareholders on the register as at 25 November 2022)**
 - **a 3.4% discount to the closing share price on 3 February 2023 (being the trading date immediately prior to the announcement of the Placing)**
- **Net proceeds from the Placing will be used partially to pay down drawings on the Company’s revolving credit facility (“RCF”), and secure liquidity for future investment**
- **The Placing Shares will qualify for the final dividend of the financial year ending 31 March 2023, which is expected to be declared in May 2023**
- **The Placing is expected to close at 12.00 p.m. on 9 February 2023**

J.P. Morgan Securities plc (which conducts its UK investment banking business as J.P. Morgan Cazenove) and RBC Capital Markets have been appointed as joint bookrunners in respect of the Placing.

Commenting on today's announcement, Richard Laing, Chair of 3iN, said:

“The Company continues to deliver strong performance and, since its IPO in 2007, 3iN has delivered an annualised total shareholder return of 12.3% to 31 December 2022. There is strong momentum across the portfolio and the Investment Manager has identified significant opportunities to invest further in the portfolio. We are today announcing a Placing partially to pay down drawings on the Company’s RCF and secure liquidity for future investment.”

Background to and reasons for the Placing

The Company continues to be active with its portfolio of infrastructure investments and continues to run an efficient balance sheet, being substantially drawn into its RCF.

At 31 December 2022, the Company held cash balances of £75 million and was £555 million drawn into its RCF, leaving undrawn commitments of £345 million. The cash balances were subsequently reduced by the payment of the interim dividend of £50 million in January 2023. The RCF commitments mature in November 2025 with a further one year extension option available under the facility agreement.

The Investment Manager has identified a number of follow-on growth opportunities in existing portfolio companies, which may involve further equity investment in the near-term. The Investment Manager is also originating a good flow of new pipeline investment opportunities through its platform across Europe and remains disciplined in seeking to invest selectively in high quality infrastructure companies supported by identified megatrends.

The Company is seeking to increase liquidity for the Company and the Company's shares, through an equity issuance. Overall, the portfolio continues to perform well and the demand for infrastructure assets is strong. The Directors believe it is an appropriate time to raise new equity and also see this as an opportunity for new shareholders to enter the register.

The net proceeds of the Placing will be used partially to pay down drawings on the Company's RCF and, together with potential realisation proceeds from the sale of one or more assets, provide the Company with increased flexibility in relation to further investment opportunities in the portfolio and new opportunities in the market.

The Placing Shares will rank *pari passu* in all respects with the existing ordinary shares in the capital of the Company.

Expected timetable

The expected timetable for the Placing is as follows:

Placing opens	6 February 2023
Latest time and date for receipt of commitments under the Placing	12.00 p.m. on 9 February 2023
Announcement of the results of the Placing	7.00 a.m. on 10 February 2023
Admission of the Placing Shares to trading and dealings commence	8.00 a.m. on 14 February 2023

Further details on the Placing

The Placing will be non-pre-emptive and launched immediately following this announcement (the "Announcement"). The price at which the Placing Shares will be issued will be 330 pence per Placing Share (the "Placing Price").

The Company reserves the right, after consultation with the Joint Bookrunners and the Investment Manager, to scale back applications under the Placing at its absolute discretion in such amounts as it considers appropriate.

The Company will apply for admission of the Placing Shares to listing on the premium listing segment of the Official List of the Financial Conduct Authority and to trading on the main market for listed securities of the London Stock Exchange plc. It is expected that settlement of subscriptions in respect of the Placing Shares and admission will take place such that trading in the Placing Shares will commence at 8.00 a.m. (London) on 14 February 2023.

The Appendix to this Announcement (which forms part of this Announcement) sets out the terms and conditions of the Placing.

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of MiFID II; and (c) local implementing measures; and/or (d) (where applicable to UK investors or UK firms) the relevant provisions of the UK statutory instruments implementing MiFID II and Commission Delegated Directive (EU) 2017/593, Regulation (EU) No 600/2014 of the European Parliament, as they form part of UK law by virtue of the European Union (Withdrawal) Act 2018, as amended (together, the "UK MiFID Laws") (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product

approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II and the UK MiFID Laws (as applicable); and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II and the UK MiFID Laws (as applicable) (the "Target Market Assessment").

Notwithstanding the Target Market Assessment, distributors should note that: the price of Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Joint Bookrunners will only contact prospective Placees for participation in the Placing who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (i) an assessment of suitability or appropriateness for the purposes of MiFID II or the UK MiFID Laws; or (ii) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

Details of the Placing Agreement and the Placing Shares

The Joint Bookrunners have entered into a placing agreement (the "Placing Agreement") with the Company and 3i Investments plc (the "Investment Manager") under which each of the Joint Bookrunners has, on the terms and subject to the conditions set out therein, undertaken, as agent for the Company, to use its reasonable endeavours to procure subscribers for the Placing Shares at the Placing Price of 330 pence (as described in this Announcement).

Each of the Joint Bookrunners has severally (and not jointly or jointly and severally) agreed with the Company, in the event of any default by any Placee in paying the Placing Price (as defined below) in respect of any Placing Shares allotted to it, to take up such Placing Shares themselves at the Placing Price in the agreed proportions as set out in the Placing Agreement.

The Placing Shares will, when issued, be credited as fully paid and will rank *pari passu* in all respects with the existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid on or in respect of such Ordinary Shares after the date of issue of the Placing Shares.

The Placing Shares will be issued free of any encumbrance, lien or other security interest.

Applications for listing and admission to trading

Applications will be made to the Financial Conduct Authority (the “FCA”) for admission of the Placing Shares to listing on the premium listing segment of the Official List of the FCA (the “Official List”) and to London Stock Exchange plc (the “London Stock Exchange”) for admission of the Placing Shares to trading on its main market for listed securities (together, “Admission”).

It is expected that Admission will become effective on or around 8.00 a.m. on 14 February 2023 and that dealings in the Placing Shares will commence at that time.

The Placing

The Joint Bookrunners are arranging the Placing as joint bookrunners and agent of the Company.

Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by the Joint Bookrunners. Each of the Joint Bookrunners, including any holding company of them, and their respective subsidiaries, branches or affiliates (each an “Affiliate”), is entitled to apply for Placing Shares as principal.

All Placing Shares will be issued at the Placing Price. The Placing Price and the final number of Placing Shares to be issued will be determined by the Company in consultation with the Joint Bookrunners.

To participate in the Placing, Placees should communicate by telephone with their usual sales contact at J.P. Morgan Cazenove or RBC Capital Markets. Each application to participate in the Placing should state the number of Placing Shares which the prospective Placee wishes to subscribe for at the Placing Price. Applications may be scaled down by the Joint Bookrunners on the basis referred to below.

Each Placee must pay the Placing Price for the Placing Shares issued to or for the benefit of the Placee in the manner and by the time directed by the relevant Joint Bookrunner. If any Applicant fails to pay as so directed and/or by the time required, the relevant Placee’s application for Placing Shares shall, at the Joint Bookrunner’s discretion, either be accepted or rejected.

The Placing is expected to close no later than 12.00 p.m. (London time) on 9 February 2023 but may be closed earlier or later at the discretion of the Joint Bookrunners. The Joint Bookrunners may, in agreement with the Company, accept applications that are received after the Placing has closed.

Each application for Placing Shares in the Placing will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and except with the consent of the Joint Bookrunners will not be capable of variation or revocation after the time at which it is submitted.

Each prospective Placee's allocation will be determined following agreement between the Joint Bookrunners and the Company and will be confirmed orally by one of the Joint Bookrunners as agent for the Company following the close of the Placing. That oral confirmation will constitute an irrevocable legally binding agreement upon that person in favour of the relevant Joint Bookrunner (who will at that point become a Placee) to acquire the number of Placing Shares allocated to the Placee at the Placing Price and otherwise on the terms and subject to the conditions set out in this Appendix) and in accordance with the Company's articles of association.

Each prospective Placee's allocation and commitment will be evidenced by a trade confirmation issued to such Placee by one of the Joint Bookrunners. The terms of this Appendix will be deemed incorporated by reference therein.

Following the oral confirmation referred to above, each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the relevant Joint Bookrunner, to pay it (or as it may direct) in cleared funds immediately on the settlement date an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has been allocated. The Company shall issue such Placing Shares to each Placee following each Placee's payment to the relevant Joint Bookrunner of such amount.

The Joint Bookrunners may choose to accept applications for Placing Shares, either in whole or in part, on the basis of allocations determined in agreement with the Company in consultation with the Investment Manager, and may scale down any applications for this purpose on such basis as the Company may determine in consultation with the Joint Bookrunners and the Investment Manager. The Joint Bookrunners may also, subject to the prior consent of the Company (i) allocate Placing Shares after the time of any initial allocation to any person submitting an application after that time and (ii) allocate Placing Shares after the Placing has closed to any person submitting an application after that time. Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and Settlement".

No commissions will be paid to Placees or by Placees in respect of any Placing Shares.

All obligations of the Joint Bookrunners under the Placing will be subject to fulfilment or (where applicable) waiver of the conditions and to the Placing not being terminated on the basis referred to below under "Conditions of the Placing and termination of the Placing Agreement".

By participating in the Placing, each Placee will agree that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.

To the fullest extent permissible by law, neither of the Joint Bookrunners nor any of their respective Affiliates nor any person acting on behalf of any of the foregoing shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise). In particular, neither of the Joint Bookrunners, nor any of their respective Affiliates nor any person acting on behalf of any of them shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise) in respect of their conduct of the Placing.

Conditions of the Placing and termination of the Placing Agreement

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms. The obligations of the Joint Bookrunners under the Placing Agreement are subject to customary terms and conditions, including Admission taking

place not later than 8.00 a.m. on 14 February 2023, or such later date as may be agreed by the Joint Bookrunners with the Company.

If: (i) any of the conditions contained in the Placing Agreement are not fulfilled or (where applicable) waived or extended in writing by the Joint Bookrunners by the respective time or date where specified (or such later time or date as the Company and the Joint Bookrunners may agree); (ii) any such conditions become incapable of being fulfilled; or (iii) the Placing Agreement is terminated in the circumstances specified below, the Placing will lapse and the Placee's rights and obligations hereunder in relation to the Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee in respect thereof.

The Joint Bookrunners may, at their discretion and upon such terms as they think fit, waive compliance by the Company or the Investment Manager with the whole or any part of any of its obligations in relation to the conditions in the Placing Agreement (save that the above condition relating to Admission taking place and the Company's allotment of the Placing Shares may not be waived) or extend in writing the time required for the fulfilment of any such conditions, in each case in respect of all or any part of the performance thereof. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement (including this Appendix).

Neither of the Joint Bookrunners nor the Company shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision it may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision they may make as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of the Joint Bookrunners.

The Joint Bookrunners are entitled, at any time before Admission, to terminate the Placing Agreement in accordance with the terms of the Placing Agreement in certain customary circumstances including, amongst others: (i) if any of the Company or the Investment Manager's warranties or representations are not or cease to be true and accurate or have become misleading; or (ii) if any of the conditions to the Placing Agreement have not been satisfied or (if applicable) waived or extended by the Joint Bookrunners by the date specified therein; or (iii) if the Company's applications to the FCA and the London Stock Exchange, respectively, are refused by the FCA or the London Stock Exchange (as appropriate); or (iv) if the Company has failed to comply with any of its obligations under the Placing Agreement; or (v) in the event of a material adverse change or if there is a force majeure event, in each case as described in the Placing Agreement.

Upon such notice being given, the parties to the Placing Agreement shall be released and discharged (except for any liability arising before or in relation to such termination) from their respective obligations under or pursuant to the Placing Agreement, subject to certain exceptions set out in the Placing Agreement.

By participating in the Placing, Placees agree that the exercise by J.P. Morgan Cazenove and RBC Capital Markets of any right of termination or other discretion under the Placing Agreement shall be within the absolute discretion of J.P. Morgan Cazenove and RBC Capital Markets and that they need not make any reference to Placees and that neither of them shall have any liability to Placees (or to any other person whether acting on behalf of the Placee or otherwise) whatsoever in connection with any such exercise or failure so to exercise.

Lock-up

The Company has undertaken that, at any time between the date of the Placing Agreement and the date which is 90 calendar days from the date of Admission, neither it nor any Group Company (as defined in the Placing Agreement) will, without the prior written consent of each of the Joint

Bookrunners, directly or indirectly, offer, issue, allot, lend, mortgage, assign, charge, pledge, sell or contract to sell or issue, issue options in respect of, or otherwise dispose of, directly or indirectly, or announce an offering or issue of any Ordinary Shares (or any interest therein or in respect thereof) or any other securities exchangeable for or convertible into, or substantially similar to the Placing Shares or enter into any transaction with the same economic effect as, or agree to do any of the foregoing.

No prospectus

No offering document or prospectus or admission document has been or will be published or submitted to be approved by the FCA in relation to the Placing and Placees' commitments will be made solely on the basis of their own assessment of the Company, the Placing Shares and the Placing based on the Company's publicly available information taken together with the information contained in this Announcement (including this Appendix), the AIFMD Disclosure Document and any information publicly announced to a Regulatory Information Service by or on behalf of the Company on or prior to the date of this Announcement, and subject to the further terms set forth in the contract note to be provided to individual prospective Placees. Each Placee, by accepting a participation in the Placing, agrees that the content of this Announcement (including this Appendix) is exclusively the responsibility of the Company and confirms that it has neither received nor relied on any other information, representation, warranty or statement made by or on behalf of the Company, the Joint Bookrunners or any other person and neither of the Joint Bookrunners or the Company nor any of their respective affiliates will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. Each Placee should not consider any information in this Announcement to be legal, tax or business advice. Each Placee should consult its own legal adviser, tax adviser and business adviser for legal, tax and business advice regarding an investment in the Placing Shares. Nothing in this paragraph shall exclude the liability of any person for fraud or fraudulent misrepresentation by that person.

Registration and Settlement

Settlement of transactions in the Placing Shares (ISIN: JE00BF5FX167) following Admission will take place within the CREST system, subject to certain exceptions. The Joint Bookrunners and the Company reserve the right to require settlement for and delivery of the Placing Shares (or a portion thereof) to Placees by such other means that they deem necessary if delivery or settlement is not practicable within the CREST system within the timetable set out in this Announcement (including this Appendix) or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

Following the closing of the Placing, each Placee allocated Placing Shares in the Placing will be sent a trade confirmation in accordance with the standing arrangements in place with J.P. Morgan Cazenove or RBC Capital Markets (as applicable) stating the number of Placing Shares allocated to it at the Placing Price, the aggregate amount owed by such Placee to J.P. Morgan Cazenove or RBC Capital Markets (as applicable) and settlement instructions. Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions that it has in place with J.P. Morgan Cazenove. The Company will issue shares on a delivery versus payment basis.

It is expected that settlement will be on 14 February 2023 on a T+2 basis in accordance with the instructions set out in the trade confirmation.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Joint Bookrunners may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for the account and benefit of the Joint Bookrunners, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares on such Placee's behalf. By communicating an application for Placing Shares, each Placee confers on J.P. Morgan Cazenove or RBC Capital Markets (as applicable) all such authorities and powers necessary to carry out any such sale and agrees to ratify and confirm all actions which J.P. Morgan Cazenove or RBC Capital Markets (as applicable) lawfully takes in pursuance of such sale.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the trade confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax. If there are any other circumstances in which any stamp duty or stamp duty reserve tax (including any interest and penalties relating thereto) is payable in respect of the allocation, allotment, issue or delivery of the Placing Shares (or for the avoidance of doubt if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer Placing Shares), neither of the Joint Bookrunners nor the Company shall be responsible for the payment thereof.
